La Corona (Javea)

Fantastic villa, very well maintained, south facing with panoramic sea views, located a short distance from the port of Javea and the old town. The villa has 2 floors and has 4 large bedrooms with fitted wardrobes, each with its own en suite bathroom, a large living/dining room, separate kitchen and laundry room. From the living room, as from many other areas of the house, you have a beautiful view of the blue of the Mediterranean Sea and from here you can also access the terrace surrounding the infinity pool. The exterior of the house is very low maintenance and there is parking for 2 cars. Extras: air conditioning, gas underfloor heating and a wood burning fireplace.
