

A lovely villa with 4 bedrooms and an abundance of space both internally and externally. The villa is 350sqm so large in proportion with potential for more space if required, currently the set up is 4 bedrooms, 2 bathrooms, a good size kitchen and large lounge with seperate dining area. The outside is spectacular with a large wrap around naya, heated pool and stunning large flat plot of circa 2325 - mostly laid to lawn, a real gem of a garden. There is also a large garage with workshop area, plus a car port to the side of the property. The property includes solar panels, a heat pump and gas central heating
