Beautiful huge sea view villa on a large plot in La Cometa within walking distance of the center and the beach. The villa has a spacious living room with double-height ceiling, dining room with direct access to the covered terrace, enormous kitchen, 4 large bedrooms, 3 bathrooms, library, bodega, guest toilet, gym, laundry room, and several storage areas. There are various terraces, a roof terrace, a lovely Mediterranean garden with lawns, summer kitchen and a beautiful solar-heated infinity pool and jet streamer. Extras: air conditioning, floor heating, video-intercom and sat-TV, garage and ample parking place.
