(Chiva)

Interested in building a house, but live in another country and don't know where to start? Found Valencia Property can offer our clients a selection of plots and construction coordination services in and around Valencia city. All plots are suitable for construction, as we only list plots with the correct land classification Note* If we do not have a plot for sale in the area you are interested in, we will find you one that exactly fits your needs. Acquisition of the plot. Arrangements with your lawyers. Arrangements with an architect of your choice (we can also introduce you to architects, specifically suited to the building design required). Arrangements with the local authorities and the Valencia Architects Association. Project management and weekly site inspections. Consistent progress reports sent to the client with photograph. Sourcing of all suppliers and tradesmen etc. suitable for the type of construction. Swimming pools and landscaping. Turnkey handover of work. Furnishing, interior design and decoration. All services connected, water, electricity, gas and internet. DESCRIPTION The plot is located next to the golf course El Bosque de Valencia. The Urbanisation is gated and is one of the best residential areas in Valencia. This mature urbanisation is highly secured with 24 hour entry control barrier. Access to the A3 (Valencia-Madrid motorway) is a 5 minute drive, Valencia airport is only a few minutes away and Valencia city centre a further 10 minute drive. Excellent golf, equestrian, Olympic swimming pool, tennis, restaurant facilities and magnificent views are all advantages of living in El Bosque. House in prestigious area of Valencia for sale Thank you for taking the time to read this presentation and please contact us for any assistance we can offer. Found Valencia can assist with all aspects of planning and construction. Examples of previous projects available for inspection.
